Important Notice to Animal Owners involved in showing animals.

The Irish Shows Association would advise all animal owners who have their animals insured to have the Insurance cover extended to cover them while showing animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible, or partly responsible for any injury or damage caused. You may end up paying all, or part of any settlement reached.

DEPARTMENT OF AGRICULTURE, FOOD AND THE MARINE NOTICE **SPECIFIC REQUIREMENTS – HORSES AND OTHER EQUINES**

Premises Registration

As from 1st May 2012, any premises (**which includes shows, fairs and markets**) where horses or other equines are gathered must be registered with the Department. Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises.

Records must be retained for at least 3 years as they may be required by the Department for the purposes of tracing disease.

Records required are:

- The name and address of the owner/person in charge of the premises from which the equine came

- Premises Registration Number from which the equine came

- Passport Number/UEL Number of the animal

It is important therefore that Show organisers should contact their local District Veterinary Office in advance so that consideration can be given to compliance with the requirements outlined above.

Any further information on the requirements for moving horses and equines to shows will be provided on the Department's website at
www.agriculture.gov.ie/animalhealthwelfare/animalidentificationmovement

IMPORTANT INFORMATION FOR EXHIBITORS OF CATTLE IN 2019

Keepers wishing to show cattle in 2019 must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This insures that the animal(s) in question has the necessary TB and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department.

Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the www.agfood.ie facility or from the Cattle Movement Notification Agency. In line with changes on 4th February 2019, a specific Certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement. This Certificate is valid for 30 days from Date of Issue and can be used for movement of animals to a number of Shows during the validity period of the Certificate.

On Show day, the Certificate of Compliance & Bovine Passport for the animal should be presented to the Show Secretary.

The keeper and the Show Secretary will then sign the movement notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary can be shown on the day of the Show.
