Important Notice to Animal Owners involved in showing animals.

The Irish Shows Association would advise all animal owners who have their animals insured to have the Insurance cover extended to cover them while showing animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible, or partly responsible for any injury or damage caused. You may end up paying all, or part of any settlement reached.

DEPARTMENT OF AGRICULTURE, FOOD AND THE MARINE NOTICE
SPECIFIC REQUIREMENTS – HORSES AND OTHER EQUINES

Premises Registration

As from 1st May 2012, any premises (**which includes shows, fairs and markets**) where horses or other equines are gathered must be registered with the Department. Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises.

Records required are:

- The name and address of the owner/person in charge of the premises from which the equine came
- Premises Registration Number from which the equine came
- Passport Number/UEL Number of the animal

It is important therefore that Show organisers should contact their local District Veterinary Office in advance so that consideration can be given to compliance with the requirements outlined above.

Note for Information regarding Movement of Bovine to Shows

The Department of Agriculture implemented a number of changes on 4th February 2019 which changed the procedures and criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the certificate which is required when moving bovine to a Show.

The following sets out the criteria applicable:

The movement of cattle to and from an Agriculture Show within the State must be recorded on the Animal Identification and movement System (AIM). In line with these changes a specific certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement of animals concerned.

These certificates can be created by (i) applying on-line using their agfood account or (ii) where the keeper is not on line the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Department's Website and will also be included with the Show Circular when issued.

When applying for this certificate the destination herd / or Show number is not required. The certificate generated will include an "S" symbol.

The Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days. As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the certificate.

Please also note – Calves which are less than 10 days cannot be moved to a Show.

the show at which the final is held.
