**Important Notice to Animal Owners involved  
in showing animals at Shows.**

The Irish Shows Association would advise all animal owners who have their animals Insured to have the Insurance cover extended to cover them while showing animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible, or partly responsible for any injury or damage caused, and could end up paying all, or part of any Court Award or settlement reached.

**DEPARTMENT OF AGRICULTURE, FOOD  
AND THE MARINE NOTICE  
SPECIFIC REQUIREMENTS – HORSES AND OTHER EQUINES**

**Premises Registration**

As from 1<sup>st</sup> May 2012, any premises (**which includes shows, fairs and markets**) where horses or other equines are gathered must be registered with the Department. Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises.

Records must be retained for at least 3 years as they may be required by the Department for the purposes of tracing disease.

**Records required are:**

- The name and address of the owner/person in charge of the premises from which the equine came.
- Premises Registration Number from which the equine came.
- Passport Number/UEL Number of the animal.

It is important therefore that Show organisers should contact their local District Veterinary Office in advance so that consideration can be given to compliance with the requirements outlined above.

Any further information on the requirements for moving horses and equines to shows will be provided on the Department's website at [www.agriculture.gov.ie/animalhealthwelfare/animalidentificationmovement](http://www.agriculture.gov.ie/animalhealthwelfare/animalidentificationmovement)

### **IMPORTANT INFORMATION FOR EXHIBITORS OF CATTLE IN 2023**

Keepers wishing to show cattle in 2023 must obtain a Certificate of Compliance prior to the movement of the animal to the Show. This insures that the animal(s) in question has the necessary TB and BVD tests recorded on the Department's database and that the keeper presenting the animal is not restricted by the Department.

Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the [www.agfood.ie](http://www.agfood.ie) facility or from the Cattle Movement Notification Agency. When applying for a Certificate of Compliance, Keepers should not specify a destination herd.

On Show day, the Certificate of Compliance & Bovine Passport for the animal should be presented to the Show Secretary.

The keeper and the Show Secretary will then sign the movement notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary can be shown on the day of the Show.

## **Identification**

All cattle must bear double plastic tags as issued under the Department's identification system. They must be accompanied by their passports

### **Important Notice to Animal Owners involved in showing animals at Shows.**

The Irish Shows Association would advise all animal owners who have their animals Insured to have the Insurance cover extended to cover them while showing animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible, or partly responsible for any injury or damage caused, and could end up paying all, or part of any Court Award or settlement reached.

## **Classes for Registered Dairy Cows**

Exhibitors must state on the Entry Form the following particulars:

Name of Animal, Tag No., Date of Birth, Sire, Dam.

### **DISCIPLINE**

The Irish Shows Association expects and will insist upon appropriate behaviour from all Exhibitors and others participating in any of the activities at our Member Shows and will not tolerate inappropriate behaviour.

**Inappropriate behaviour shall include but not be limited to the following:**

- Profanity, coarse or vulgar language or gestures towards judges or other Show officials.
- Harassment or bullying, including using words or actions that threaten, intimidate or undermine judges or other officials before, during or following Member Show activities.
- Failure to follow rules and/or obey instructions.
- Abusing any animal.

#### **Disciplinary Procedures:**

Complaints of misconduct against an Exhibitor or other participant at a Member Show shall be investigated and adjudicated upon by a subcommittee appointed by the Irish Shows Association. The said subcommittee shall consist of three members of the board of the Irish Shows Association and shall be known as the Disciplinary Committee. The Disciplinary Committee shall seek to ensure the existence of consistent, effective, fair and transparent complaint procedures and shall act in accordance with the natural and constitutional justice.
