Important Notice to Animal Owners involved in showing animals at Shows.

The Irish Shows Association would advise all animal owners who have their animals Insured to have the Insurance cover extended to cover them while showing animals at Shows, it may cost very little or nothing at all depending on who you have Insurance with.

The reason for giving this advice is that if your animal were to injure someone or damage someone's property, and it is established that your animal was out of your control at that time, you may be held responsible, or partly responsible for any injury or damage caused, and could end up paying all, or part of any Court Award or settlement reached.

DEPARTMENT OF AGRICULTURE, FOOD AND THE MARINE NOTICE
SPECIFIC REQUIREMENTS – HORSES AND OTHER EQUINES

Premises Registration

As from 1st May 2012, any premises (**which includes shows, fairs and markets**) where horses or other equines are gathered must be registered with the Department. Owners/persons in charge of such gatherings are required to submit a completed application form for registration and to keep records of movements on/off their premises.

Records must be retained for at least 3 years as they may be required by the Department for the purposes of tracing disease.

Records required are:

- The name and address of the owner/person in charge of the premises from which the equine came.
- Premises Registration Number from which the equine came.
- Passport Number/UEL Number of the animal.

It is important therefore that Show organisers should contact their local District Veterinary Office in advance so that consideration can be given to compliance with the requirements outlined above.
